Engage		Add embellishments and decorations to enhance a form or sculpture.	Use ICT responsibly, securely and safely.		Locate the countries of Europe (including Russia), North and South America. Locate and name geographical features on an Ordnance Survey map.	
Develop	<p>Identify how water changes state, using the correct terminology and relate these key processes to the water cycle.</p> <p>Explain the effect of heating and cooling on a range of substances, including water.</p> <p>Make decisions about different enquiries, including recognising when a fair test is necessary and begin to identify variables.</p> <p>Choose appropriate ways to record and present information, findings and conclusions for different audiences (e.g. displays, oral or written explanations).</p>	<p>Investigate, combine and organise visual and tactile qualities of materials and processes when making something.</p> <p>Investigate, combine and organise visual and tactile qualities of materials and processes when making something.</p>	<p>Use and combine a variety of software and internet services on a range of digital devices to accomplish given goals, including collecting, analysing, evaluating and presenting data and information.</p> <p>Use and combine a variety of software and internet services on a range of digital devices to accomplish given goals, including collecting, analysing, evaluating and presenting data and information.</p>		<p>Locate and name geographical features on an Ordnance Survey map.</p> <p>Describe how physical activity has impacted and / or changed the physical and human characteristics of a place in the world.</p> <p>Describe how physical activity has impacted and/or changed the physical and human characteristics of a place in the world.</p> <p>Describe and explain how physical processes have changed the characteristics of a landscape, country or continent</p>	
Innovate		AD 2 Improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (e.g. pencil, charcoal, paint, clay).	<p>Co 5 Use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content.</p> <p>Co 6 Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information.</p>	DT TK 1 Apply their understanding of how to strengthen, stiffen and reinforce more complex structures.	<p>Ge HP 1 Describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle.</p> <p>Ge HP 2 Describe and understand key aspects of human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water.</p>	
Express			Describe patterns in geography and offer clear explanations for why they appear (e.g. a number of hotels and restaurants are found at the seaside).	Identify what has worked well and what could be improved, evidencing and explaining the results of research.
