Week	Art & Design	Computing	D&T	Geography	History
Engage			D&T  Collect information from a number of different sources and use this information to inform design ideas in words, labelled sketches, diagrams and models, keeping in mind fitness for purpose and the end user	<b>Geography</b> Draw sketch maps and plans using standardised symbols and a key	History  Place different periods of time on a timeline and remember key historical facts and some dates from a period studied.  Use a range of source materials to answer questions about the past which go beyond simple observations
Develop	Art & design  Use a motif and stencil to create a mono or repeat print.  Art & design  Make/use a sketch book with a hard cover and mitred corners	Computing  Use and combine a variety of software and internet services on a range of digital devices to accomplish given goals, including collecting, analysing, evaluating and presenting data and information.  Computing  Use and combine a variety of software and internet services on a range of digital devices to accomplish given goals, including collecting, analysing, evaluating and presenting data and information.	D&T  Choose from a range of materials showing an understanding of their different characteristics.  D&T  Analyse the potential of a range of tools and use with accuracy.	Geography  Locate and name geographical features on an Ordnance Survey map.  Geography  Propose geographical questions, collecting and recording specific evidence to answer them.  Geography  Locate the countries of Europe (including Russia), North and South America	History  Choose the best way to record a range of historical information, giving reasons for their choice.  History  Ask and answer more complex questions through independent research  History  Use a range of source materials to answer questions about the past which go beyond simple observations.
Innovate		Co 6 Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information.	DT D 1 Use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups. DT M 2 Select from and use a wider range of materials and components, including construction materials, textiles and ingredients, according to their functional properties and aesthetic qualities.		
Express	Art & design  Compare and comment on a number of artworks on a similar theme, explaining the approaches taken by different artists or genres.			Geography  Suggest which source material to use for a specific task, locating the information needed.	History  Explain the impact of a significant historical figure on life in Britain.  History  Place different periods of time on a timeline and remember key historical facts and some dates from a period studied.
