Week	Science	Art & Design	Computing	D&T	Geography	History	Music
Engage		Create abstract forms choosing appropriate materials and tools, demonstrating the awareness and influence of a specific art genre.		Demonstrate modifications made to a product, as a result of ongoing evaluation, by themselves and others. Use appropriate tools and equipment, weighing and measuring with scales.			
Develop	Demonstrate, using a model or diagram, how this explains why we can see objects and how shadows are formed. Plan how they can have healthy/affordable diet.	Create abstract forms choosing appropriate materials and tools, demonstrating the awareness and influence of a specific art genre.	Take account of accuracy and potential bias when searching for and selecting information. Take account of accuracy and potential bias when searching for and selecting information.		Use the web and satellite mapping tools to find out and present geographical information about a place. Describe the environmental regions, key human and physical characteristics, countries and major cities of Europe, North and South America. Use search engines, index, contents and other research techniques to locate and interpret information. Identify gaps in information collated and suggest ways of finding it. Use the web and satellite mapping tools to find out and present geographical information about a place.	Select, organise, summarise and present relevant information, from a wide range of sources, in the most effective way for a given purpose.	Identify how sounds can be combined and used expressively, layering sounds and singing in tune with other performers. Describe how music can be used to create expressive effects and convey emotion.
Innovate			Use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content	Use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups. DT M 2 Select from and use a wider range of materials and components, including construction materials, textiles and ingredients, according to their functional properties and aesthetic qualities			Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression. Mu 5 Appreciate and understand a wide variety of high quality live and recorded music drawn from different traditions and from great composers and musicians. Mu 3 Listen with attention to detail and recall sounds with increasing aural memory. Mu 2 Improvise and compose music for a range of purposes using the interrelated dimensions of music.
Express		Embellish a 3-D form using collage techniques (decoupage).	Design and create/use a range of programs to accomplish given goals.	Use appropriate tools and equipment, weighing and measuring with scales.
